

under 5's + parents + teachers

**Playgroup NSW is currently seeking
Expressions of Interest from
experienced Early Childhood Workers
for our PlayPLUS Program
in the St George / Sutherland area.**

'PlayPLUS' brings together the strength of a parent managed playgroup with the expertise of a qualified Early Childhood teacher. Parents continue to attend the group, assuming volunteer roles as with other playgroups, but the children's play experiences are guided by a teacher employed by Playgroup NSW. A creative, age and developmentally appropriate play program is facilitated alongside parents to provide a range of activities for babies, toddlers and preschoolers.

In 2010 there will be ten PlayPLUS Programs running throughout NSW.

The PlayPLUS Facilitator position is for 3.5 hours per 2 hour session, but multiple sessions may be facilitated by the one employee.
